No person shall display any placard, advertisement, or political information of any kind in the park system, nor shall any person distribute, cast, throw or place any handbill, pamphlet, circular, advertisement or notice of any kind, nor post, stencil or otherwise affix any notice, or bills, advertisement or other papers, upon any structure or thing in or about the park premises without having first obtained a permit or written permission from the Park District Board of Commissioners or the Executive Director unless: The person holds a valid picnic or special event Permit in which case the person may display signs to identify their location or direct others to such location, provided that such signs are temporary and are removed by the permittee at the termination of the activity and provided that such signs are no larger than 24" x 30" and are not attached to any tree shrub, post, building, gate, District sign, or other structure located on District property.

1.03 AIRCRAFT (Manned)

No person shall land, cause to be landed, or permit or authorize the landing of any aircraft or hot air balloon on Park District property unless a permit has first been obtained from the Park District, except when necessitated by an unavoidable emergency.

No person shall parachute or otherwise descend from an aircraft into or onto Park District property or cause, permit or authorize another person to parachute or otherwise descend from any aircraft into or onto Park District property unless a permit has first been obtained from the Park District, except when necessitated by an unavoidable emergency.

1.04 ALCOHOL, DRUGS AND NARCOTICS

No person shall use or possess illegal drugs or narcotics on Park District properties.

No person shall bring within, sell, giveaway, or drink alcoholic beverages at any time in the park system, unless written permission by the Board of Commissioners has been granted. Notice must be given, to the Board of Commissioners, at least thirty (30) days prior to the scheduled event, and then only if proper forms, accompanied with a Village of Buffalo Grove liquor license and proof of insurance including dram shop coverage, are exhibited.

The only exception to the above is made for renters at the Community Arts Center (CAC). Renters at the CAC who wish to have alcoholic beverage consumption during their private rental may apply to do so by completing the Park District's alcohol rental request forms, which do not require Board approval. In addition, they will be required to obtain a Village of Buffalo Grove and/or State of Illinois liquor license and provide proof of insurance including dram shop coverage.

The Park District, with applicable licensing, reserves the right to sell alcoholic beverages on Park District property during Park District sponsored activities, programs, and/or events. At no time shall beer, wine or alcoholic liquor be served to anyone below the age of 21 years, and the service shall at all times be in compliance with the laws of the State of Illinois and the ordinance of the Village of Buffalo Grove, Illinois.

No person shall be intoxicated on Park District property.

1.05 ANIMALS

No person shall within the park system bring, allow to be loose, drive, lead, carry, or permit any animal on any premise within the park system, without being leashed, except in connection with Park District sponsored activities, programs, or events where the presence of animals is specifically permitted or required by the Park District as an integral part of such program activity or event. No leash shall be longer than eight (8) feet in length.

Any animal found on park property running at large may be impounded.

The owner of every animal shall be responsible for removal and sanitary disposition of any excreta deposited by his/her animal(s) anywhere in the park system.

Service animals will be allowed in parks and facilities, but must be leashed as per ordinance requirements, other than those times when doing so would prevent them from performing their responsibilities.

A service animal is any guide dog, signal dog, or other animal specifically trained, or in the process of being trained, to provide assistance to an individual with a disability. Service animals do not have to be licensed or certified by a state or local government, but often do have a method of verifying that they have gone through a training program.

To clarify, service animals perform some of the functions and tasks that the individual with a disability cannot perform for him or herself. Guide dogs are one type of service animal, used by some individuals who are blind. This is the type of service animal with which most people are familiar. But there are service animals that assist persons with other kinds of disabilities in their day-to-day activities. Some examples include:

- Alerting persons with hearing impairments to sounds
- Pulling wheelchairs or carrying and picking up things for persons with mobility impairments
- Assisting persons with mobility impairments with balance

Animals, other than service animals as described above, will not be allowed either leashed or unleashed on Park District property when posted at specific programs/events. Notification of this restriction of animals at programs/events will be communicated either through on-site signage, on the Park District website or through social media outlets.

No person shall trap, catch, wound, kill, treat cruelly, or attempt to trap, catch, wound or kill any bird or animal, or molest or rob any nest of any bird or animal, in the park system.

1.06 ASSAULT, BATTERY, FIGHTING, AND RECKLESS CONDUCT

No person shall knowingly start a fight, fight or commit any assault, battery, or reckless conduct on District property. For purposes of this section:

A person commits an assault when, without lawful authority, they engage in conduct which places another in reasonable apprehension of receiving a battery.

No person may use any Park District property for the purpose of filming an advertisement, television program, movie or for social media (such as but not limited to, YouTube, SnapChat, Facebook) without first obtaining a permit therefore from the Park District. The Board will make its determination based in part on the impact the proposed use would have on residents and on Park District programs and other services and the amount of revenue to be derived from an approved use.

No person shall physically hinder, threaten, resist, intimidate, disobey, or otherwise intentionally interfere with any Park District employee or agent in the performance of his/her duties.
