Youth Sports in Buffalo Grove

There are thousands of boys and girls that participate in youth sports every year in Buffalo Grove. One measure of success in these programs is the number of parents who volunteer as coaches and assistant coaches. Unfortunately, many parents do not get involved because they feel a lack of knowledge about that particular sport; however, if they did get involved, even more kids could participate. We conduct Park District programs on a “participation” philosophy, meaning that we feel it is more important for all youths to play and enjoy the sport, rather than to win at all costs. We never measure success in wins and losses. The Park District conducts training sessions for all new coaches with ideas to get them started. Youth sports coaches do not need experience, only the willingness and enthusiasm to coach. Kids and coaches alike should have fun. Coaching is a fulfilling aspect of any sport, especially youth sports. Call 847.850.2100 for more information.

National Youth Sports Coaches Association

The Buffalo Grove Park District requires all of its youth sports coaches to pass the National Youths Sports Coaches Association (NYSCA) on-line clinic. This nationwide organization teaches parents that kids want to have fun and participate in all sports. The on-line clinic is designed for parents who have never coached, as well as the seasoned veteran. With more youths registering for sports, the need for volunteer coaches grows more each season. NYSCA training makes it easy for all parents to become a coach. For more information about NYSCA visit their website at nays.org.

Bullying In Youth Sports

The Buffalo Grove Park District utilizes the National Youth Sports Coaches Association to provide volunteer coaches online training pertaining to bullying in youth sports by players and coaches. The online training will provide coaches the necessary educational tools to intervene and work with athletes. Coaches will also benefit by learning 3 types of bullying (physical, verbal and relational), their differences, and their warning signs. For more information about NYSCA, visit their website at nays.org.

Parent & Tot Sports

Parents are an integral part of helping their tots develop basic sports movement and motor skills. Motor skill activities focus on hand/eye and hand/foot coordination. Sports equipment and instruction are provided to help guide your child through an introduction to organized sports. Parent or caregiver participation is required. Karate

Illinois Shotokan Karate Club (ISKC) is Chicagoland's premier karate school, taught under the instruction of John DiPasquale, a 4-time National Champion, and President of the American Shotokan Karate Association. ISKC's karate classes help develop flexibility, strength and coordination in fun, yet disciplined activities. This program offers a good mix of strength training, with cardiovascular and flexibility exercises. Students increase their coordination, agility and poise, as well as learn lasting personal safety skills. They also benefit from the mental stimulation of learning the choreographed moves of the kata and the discipline of conforming to the class rules. Beginner students will not be permitted to register into the current session after the second class has met. Registration for continuing through advanced students will be accepted after the start date; but, the full class fee is required. Frontier Park is located at 1933 N. Kennicott Drive in Arlington Heights.

Please note: Uniforms and belt testing are options available through the instructor. Youth, Parent/Child and Adult classes may train together. All fees listed are per person. For more information, please contact TJ Wilkes at 847.850.2199 or twilkes@bgparks.org.
