

Welcome

It's never too early to start planning for summer camp! The Buffalo Grove Park District has a variety of summer camp games and activities that are sure to make your child's experience a great one.

COVID-19 Information

For the general guidelines, health monitoring, cleaning procedures, and the wellness screen questionnaire, please visit our website at <http://bgparks.org/program/camp.aspx> for the COVID-19 Program and Participant Guideline Addendum.

Camp Staff

The Buffalo Grove Park District's summer camp staff will continue to provide the best summer possible for your child. We hire our staff based on their character, leadership, enthusiasm and creativity.

All Buffalo Grove Park District summer camps have an on-site supervisor to encourage leadership and guidance for each of our unique camps. Many of the previous summer camp supervisors will also be back, full of fresh ideas and renewed commitment. All summer camp staff complete a thorough orientation process, which incorporates safety, creativity, team building, and daily activity planning. All camp supervisors are certified in National Safety Council First Aid, CPR and AED.

Camp Site Locations

In addition to using some of our own facilities, through cooperative arrangements with School Districts 21, 96 and 102, we strive to provide the best facilities for our summer day camps. Due to capital improvement projects at the various school districts, as well as COVID-19 restrictions, all camp locations are subject to change.

Transportation

The Buffalo Grove Park District does not provide daily transportation to or from camp; however, we do utilize a school bus service for swimming, Spray 'N Play, and our many fun field trips.

CAMP CONNECTION

Camp Connection is a before and after camp program, designed to accommodate working parents. Camp Connection will be managed like camp, and will not just be free play. Activities will include sports, arts and crafts, indoor and outdoor games, and other fun summer time activities.

Camp Connection is only for campers who are enrolled in the Buffalo Grove Park District Camp programs, and must be entering Kindergarten through 8th grade next fall.

The morning Camp Connection begins as early as 7 am, and ends at the starting time of the camper's individual camp. The afternoon Camp Connection will start when the camper's individual camp ends, and goes until 6 pm. Snack will be provided in the afternoon session only during Camp Connection. Any children with food allergies may bring their own snack each day.

The Park District will do everything possible to keep Camp Connection locations at each camp site. However, due to varying levels of enrollment, participants may have to be transported to another location. In these instances, transportation from the participant's camp site to the Camp Connection location will be provided.

Camp Connection is a separate registration form from camp, which can be filled out online at bgcamps.org; or, paper forms are available at the Alcott Center. When you complete your registration, charges will be totaled; and, each session will be billed on the 1st of the month, prior to the session beginning. Camp Connection registration will open at the same time as regular camp registration. **Please note:** There is a 2-day minimum per week; and, additional days can be purchased at any time. For more information, contact Liz Sass at 847.850.2136 or lsass@bgparks.org. **No Camp Connection on July 4.**
