

BUFFALO GROVE GARDEN CLUB PLANT SALE 2023

FEDERATED 1969

Dear Gardening Friends,

Spring is just around the corner and we at the BGGC are excited to be back after an absence due to COVID to offer you a beautiful selection of plants to enhance your garden, patio or any spot that would benefit from a splash of color.

We are offering many new additions to our list, many of which are brilliant bloomers for you to enjoy. We encourage you to GOOGLE the flowers that you may be interested in seeing. You will probably happen upon some gorgeous finds!

The proceeds from your purchases will help fund our **Annual Scholarship Program**, the purchase, planting and maintenance of several **Public Gardens** and for **Speakers and Presenters** at our monthly meetings to which the public is always welcome. We hope to see you there!

For information about our meetings, joining the Buffalo Grove Garden Club or obtaining additional copies of the attached order form, please visit us <http://www.buffalogrovegardenclub.org>

~~~ INTRODUCING BGGC PLANT OF THE YEAR FOR 2023 ~~~

## **BEGONIA – BIG BRONZE LEAF**

Big Bronze Leaf Begonia presents big flowers on well branched, full bodied plants; a vigorous, outstanding performer in sun or shade. At maturity it will grow to 18" tall with a spread of 18" and has an upright spreading habit of growth. Space approximately 16" apart. It features dainty clusters of rose orchid-like flowers at the ends of the stems from mid spring to mid fall. Its attractive glossy heart-shaped leaves remain dark green in color with hints of coppery-bronze throughout the year. It requires an evenly moist well-drained soil for optimal growth. Feed the plant a balanced houseplant fertilizer once a month.

We have a more compact order form this year with baskets on side 1 and 4.5" pots on side 2, so please be sure to mark the number of pots you want next to the color you desire and then place the total in the item total column.
