Many questions you have will be answered in this letter and/or in the schedule.

Pick-Up On the first day of camp, please give your child's counselor a list of people who are permitted to pick up your child from camp if you have not already turned in a pick-up form. Please be aware that parents/guardians may be asked to show identification when picking up children. This is for the safety of your child; so, please be patient with the camp staff. If your child is allowed to walk or bike to and from camp, please give your child's counselor your self-release form stating that your child has your permission to bike and/or walk to and from camp.

Medication Dispensing The medication dispensing information form can be found on line at bgparks.org/pdf/medical-authorization-form.pdf on the camp page. If needed, please complete this document and return to the Alcott Center prior to the start of camp.
