# Memorandum

MEMO TO: PARK BOARD OF COMMISSIONERS
FROM: RYAN RISINGER, EXECUTIVE DIRECTOR
SUBJECT: REVISIONS OF BOARD POLICY MANUAL

DATE: APRIL 6, 2023

#### Action Requested:

Staff requests that the Board approve the edits in the attached Board Policy Manual.

#### History:

Attached you will find the Board Policy Manual with edits (strikethroughs and added verbiage in red). Reviewing and updating the Board Policy Manual is part of the requirements for Distinguished Accredited Agency.

As you may recall from my reports, I am currently reviewing all of our department procedures and policies manuals. The goal of this is to make sure all policies and procedures reside in a manual somewhere. Over time, standalone policies and procedures are created and "do not have a home." This causes issues when trying to locate them, and make sure they are reviewed. Including them with a part of a larger policies or procedures manual will remedy those issues. I am also making sure there is consistency across all the manuals moving forward.

Some changes are for consistency and staff title corrections. Some other changes involve adding or editing some procedures or policies.

#### Specific additions or edits include:

- Removal of 2.11 New Board Member Orientation. This procedure was added to the Admin Manual. It is a responsibility of the Executive Director and the Admin team to follow through on Board Member Orientation, so it fits better in that manual.
- 2.11 was replaced with *Sponsored or Endorsed Workshops*. This is a Distinguished Agency suggestion to make sure this topic is addressed in the Board Policy Manual.
- Adding *Designation of Authority* to section 4.6. This is another Distinguished Agency suggestion. This essentially allows the Executive Director to approve procedure manuals. Any policies inherent within a procedure manual would need separate Board approval.

- Adding to section 5.4 on Hiring and annual appointment of Executive Director. After going through the recent process, I felt it was important to document that process within the Board Policy Manual for future.
- 7.1 Committees and Liaisons I know this is a subject that may require future attention, but until then I made small changes that I believe make sense.
- 8.2 Regular Meetings This information also resided in the Admin Manual and it does not need to be in both. I felt the language in the Admin manual was more detailed and I removed it from there and added it to the Board Policy Manual.

#### Section 1 - Introduction

#### 1.1 Statutory Authority

A park district is purely a creation of the legislature, and has no inherent powers, but only such powers as have been granted to it by the legislature, or as are necessarily implied to give effect to the powers specifically granted.

A park district is a municipal corporation created for the purpose of acquiring and maintaining parks, and is separate and distinct from the city, county, or any other body politic. It is an agency through which in part the people of the state carry on government. It is not purely local in function, for the courts have ruled that park property is held in trust for the use of the people of the state at large and not for the exclusive use of the people of the district.

The district is governed by numerous statutes of the State of Illinois. (Ill. Comp. Stats.) However, the principle statutory authority is the Park District Code (70 ILCS 1205/1-1, et seq.), which is codification of the general law relating to park districts in Illinois. References and excerpts from the Park District Code and other related laws are made in this manual.

#### 1.2 Legal Authority of this Policy Manual

In particular, the legal authority of this policy manual is (70 ILCS 1205/8-1 (d)) of The Code, which reads as follows: "(d) To pass all necessary ordinances, rules and regulations for the proper management and conduct of the business of the board and district and to establish by ordinance all needful rules and regulations for the government and protection of parks, boulevards and driveways and other property under its jurisdictions, and to effect the objects for which such districts are formed."

The statutes of the State of Illinois or any final court decision that is in conflict with the provisions of the policy manual shall supersede the provisions of this policy manual.

#### 1.3 Definitions

For the purpose of the policy manual, the following terms shall have the definitions given herein:

- 1. "District" is the Buffalo Grove Park District, Cook and Lake Counties, Illinois.
- 2. "Board" is the Board of Commissioners of the Buffalo Grove Park District.
- 3. "Code" is "The Park District Code," (70 ILCS 1205/1-1) approved July 8, 1947, as amended.

For the purpose of this manual, words in the masculine gender shall include the feminine gender and words in the singular number shall include the plural number and vice-versa, and words in the present tense shall include the future tense.

#### 1.4 Revisions

The Board may periodically review the policies contained in this manual and revise or amend them from time to time as they deem appropriate at a regular meeting of the Board by a majority of its members, except whereby law or the provisions of the manual itself, a vote greater than a simple majority is required.

#### 1.5 Separability

If any policy or part thereof contained in the policy manual shall be determined invalid in a court of law, such determination shall not affect the validity of the remaining policies or parts thereof.

#### Section 2 - Board and Administration

#### 2.1 Governance

The governance of the District is vested in the Board. The members of the Board constitute the corporate authority.

#### 2.2 Number

The Board shall be comprised of five (5) commissioners.

#### 2.3 Term of Office

Each term of office for a Commissioner shall be four (4) years. Terms are designated to expire on a staggered system. Commissioners shall serve until their successors are duly elected, qualified, and have taken the oath of office.

#### 2.4 Inauguration

- 1. Newly Elected or Re-elected Commissioners:
  - a. Newly elected or re-elected Commissioners shall be inaugurated at the next regular scheduled Board meeting. At this time, the "old" Board shall meet, conduct any unfinished business, and then adjourn. The Secretary of the District shall then inaugurate the newly elected Commissioner(s) and the new Board shall then reconvene the meeting.

#### 2. Appointed Commissioners:

a. Newly appointed Commissioners shall be inaugurated at the first regular Board meeting following their appointment.

#### 2.5 Oath of Office

All elected and appointed Board members, before entering upon the duties of his office, shall take and subscribe to the Oath of Office.

#### 2.6 Qualifications

Any person who is a United States citizen, qualified elector, and who has lived within the district for at least one year is qualified to be a candidate for the Office of Commissioner.

#### 2.7 Nomination

 A candidate for the Office of Commissioner must file a nominating petition with the appointed election official of the District, signed by qualified voters of the District equal in number to not less than 2% of the number who voted at the last preceding election for Commissioners in the District, but in no case by less than 25 registered voters. 2. The appointed election official of the District shall make available nominating petition forms and the required number of signatures to any prospective candidate for the office of Commissioner and shall publicize the first and last day for filing such nominating petitions well in advance of those dates.

#### 2.8 Election

Commissioners shall be elected biennially to take the place of those whose terms expire. (III. Comp. Stat.) Such elections shall take place at the election provided for the general election law. (10 ILCS 5/1-1)

#### 2.9 Vacancies in Office

Whenever any member of the governing board of the Park District dies, resigns, becomes under legal disability (such that said Commissioner becomes unable to fulfill his duties), ceases to be a legal voter in the District, is convicted of any infamous crime, refuses or neglects to take his or her oath of office, neglects to perform the duties of his or her office or attend meetings of the Board for the length of time as the Board has fixed by Ordinance 18-6-1, or for any other reason specified by law, that office may be declared vacant. Vacancies shall be filled by appointment by a majority of the remaining members of the Board. Any person so appointed shall hold his or her office until the next regular election for this office, at which time a member shall be elected to fill the vacancy for the unexpired term, subject to the following conditions:

- 1. If the vacancy occurs with less than 28 months remaining in the term, the person appointed to fill the vacancy shall hold his or her office until the expiration of the term for which he or she has been appointed, and no election to fill the vacancy shall be held.
- 2. If the vacancy occurs with more than 28 months left in the term, but less than 123 days before the next regularly scheduled elections for this office, the person appointed to fill the vacancy shall hold his or her office until the second regularly scheduled election for the office following the appointment, at which a member shall be elected to fill the vacancy for the unexpired term. (70 ILCS 1205/2-25) See EXHIBIT ADDENDUM A

#### 2.10 Compensation

In accordance with statue, the Board serves without compensation. (70 ILCS 1205/4-1).

#### 2.11 New Board Member Orientation (Covered in Administrative Manual)

The Executive Director shall provide a newly elected park board Commissioner with a copy of The Park District Code, the Illinois Park District Law Handbook, the Illinois Park District Financial Procedures, the Get on Board book, the Guide to the Open Meetings Act and FOIA, the Park District Board Policy Manual, minutes of the park board meetings for the past six months, and any other resource material deemed beneficial to onboarding the new Commissioner.

A meeting of the park district president, the executive director and the new members shall be arranged by the executive director for the purpose of answering questions and acquainting the new member with the park district. In addition to the executive director and other staff providing specific and factual information, other board members should orient the new members to board philosophy and practices. They should review, as a board, what members — including the new member — should expect of each

#### other.

New members will be encouraged to attend workshops conducted by the Illinois Association of Park Districts.

#### 2.11 Sponsored or Endorsed Workshops

All Board members will be encouraged to attend workshops conducted by the Illinois Association of Park Districts.

The Buffalo Grove Park District Board believes that a knowledgeable board is essential to assuring excellence in parks, programs and facilities. The Board must be aware of the latest trends, issues and practices in order to provide leadership and direction. Therefore, the Board of Commissioners has established a policy in support of attendance at workshops sponsored or endorsed by the NRPA, IPRA, IAPD, and other similar organizations. Park District Administrative staff is directed to maintain records of Board Member participation in these workshops, conferences and seminars.

#### 2.12 Travel and Expenses

Authorized travel or other expenses incurred by the Board and which are related to and pre-approved by the District shall be reimbursed upon documentation of such expenses in accordance with following policy:

- 1. In conjunction with the preparation of the Budget and Appropriation Ordinance of the District for each fiscal year, the Board will determine the aggregate amount of funds to be made available for Commissioner attendance at workshops and conferences.

WHEREAS, the Board is empowered to pass all necessary ordinances, rules and regulations for the proper management and conduct of the business of the Board and District and to manage and control the officers and property of the District; and

WHEREAS, except as otherwise specifically provided by law, the Board acts from time to time on behalf of the District through the majority vote of the Board members at public meetings where at least a quorum of said members is present; and

WHEREAS, the members of the Board are elected to serve and represent the public, and an integral part of such service is attendance at the regular monthly meetings of the Board and such special or other meetings of the Board as may be called to order from time to time; and

WHEREAS, the failure of a park commissioner to attend the meetings of the Board deprives the electorate of the District of its full representation; and

WHEREAS, Article 2-25 of the Code provides various reasons for a vacancy; such as, whenever any member of the Board (i) dies, (ii) resigns, (iii) becomes under legal disability, (iv) ceases to be a legal voter in the district, (v) is convicted of any infamous crime, (vi) refuses or neglects to take his or her oath of office, (vii) neglects to perform the duties of his or her office or attend meetings of the board for the length of time as the board fixes by ordinance, or (viii) for any other reason specified by law, that office may be declared vacant.

WHEREAS, the Board wants to adopt an ordinance which provides that whenever any member of the Board neglects to attend the meetings of the Board for a length of time such member's office may be declared vacant; and

WHEREAS, the Board of the District has not previously adopted any ordinance fixing the length of time a member of the Board may fail to attend meetings of the Board for that member's office to be declared vacant; and

WHEREAS, the Board wishes to (1) fix the length of time that a member thereof may fail to attend meetings in order for such member's office to be declared vacant and (2) to provide a procedure pursuant to which a declaration of vacancy as aforesaid may be rendered.

NOW, THEREFORE, IT IS HEREBY ORDAINED by the Board of Park Commissioners of the Buffalo Grove Park District, Lake and Cook Counties, Illinois as follows:

<u>SECTION 1</u>. <u>INCORPORATION OF PREAMBLE</u>. The preamble to this Ordinance is hereby incorporated by reference in this Ordinance, as though set forth herein in full.

SECTION 2. REPEATED FAILURE TO ATTEND BOARD MEETINGS. The failure of any member of the Board to be present either: (i) in person or (ii) by telephone in accordance with Board policy, at four (4) or more consecutive duly called regular meetings of the Board, or at six (6) or more duly called regular meetings of the Board within any consecutive twelve (12) month or shorter period after the effective date of this Ordinance shall be cause for the President of the Board or the Board to convene a meeting closed to the public or a closed session of an open meeting for the purpose of conducting a hearing to consider whether the office of Park Commissioner of such member shall be declared vacant, pursuant to 70 ILCS 2-25 and 5 ILCS 120/2(c)(3). For purposes hereof a member of the Board shall be deemed to be present at a meeting of the Board only if such member is in attendance at such meeting in person or, if permitted by Board policy, by telephone conference, from the time such meeting is called to order until the final adjournment of the meeting.

#### SECTION 3. HEARING.

- (a) Prior to taking any final action on declaring a member's seat on the Board to be vacant, a procedural due process hearing ("Hearing") before the Board shall be held to determine whether the Park Commissioner failed to be present in person or, if and as permitted by Board policy, by telephone, at four (4) or more consecutive duly called regular meetings of the Board, or at six (6) or more duly called regular meetings of the Board in any consecutive twelve (12) month or shorter period. The Park Commissioner whose office is in question shall be given at least fourteen (14) days prior written notice of the Hearing ("Hearing Notice") by the President of the Board.
- (b) The Hearing Notice shall include notice of the possible declaration of vacancy of the member's seat on the Board, the date, time and location of the meeting and a listing of the dates of the meetings which the member has allegedly failed to attend.
- (c) The member whose seat may be declared vacant shall have the right to be present at and to participate in the Hearing. The member shall also have the right to be represented by counsel prior to, during, and after the Hearing.
- (d) During the Hearing the Board shall provide the member whose seat may be declared vacant, with certified copies of the minutes of the Board meetings which the member is

alleged to have missed, showing those members in attendance at such meetings and those absent and whether the members were physically present or present by means of telephone conference and such certified copies shall create a rebuttable presumption that the member failed to attend each meeting for which the minutes reflect his absence.

- (e) At the Hearing the member whose seat on the Board may be declared vacant may present oral and/or written evidence and/or present any witnesses to establish such member's presence at any meeting where the aforesaid minutes reflect such member's absence.
- (f) The President of the Board shall preside at the Hearing and may be assisted by legal counsel for the District.
- (g) No final action shall be taken at the Hearing.

SECTION 4. DECLARATION OF VACANCY. At any time after the adjournment of the Hearing, the Board shall, at a meeting open to the public, make a finding of fact regarding the number of meetings missed by the member and if such finding indicates that at least four (4) consecutive duly scheduled regular meetings of the Board were missed by such member, or that such member missed six (6) or more duly scheduled regular meetings during any twelve (12) month or shorter period, the Board may declare the office of Park Commissioner of said member vacant by the affirmative roll call vote of not less than three (3) members of the Board, whereupon said office shall be vacant and may be filled by the remaining members of the Board in accordance with the provisions of Section 2-25 of the Code (70 ILCS 1205/2-25).

<u>SECTION 5</u>. <u>INVALIDITY</u>. If any section, subsection, paragraph, sentence, clause or phrase of this ordinance or any part thereof is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this Ordinance, or any part thereof.

<u>SECTION 6</u>. <u>EFFECTIVE DATE</u>. This Ordinance shall be effective upon its passage. PASSED, this  $25^{th}$  Day of June, 2018.

#### PARK, FACILITY, AND AMENITY NAMING POLICY

The following sets forth the Board's policy in naming and renaming its parks, facilities, and amenities:

For purposes of this policy the following definitions will be used:

*Park*: An area of land, usually in a largely natural state, for the enjoyment of the public, having enhancements for rest and recreation. Examples: Rylko Park, Green Lake Park, Cherbourg Park

*Facility*. A structure or building designed, built, installed, etc., to serve a specific function. Examples: Community Arts Center, Alcott Center, Emmerich Building, Willow Stream Pool

*Amenity*: A feature, component, or enhancement added to a park or facility that provides comfort, convenience, or pleasure. Examples: playgrounds, benches, program rooms, studios, concession stand, ball fields, picnic shelters, unique features

#### I. <u>Criteria for Naming Parks, Facilities, and Amenities</u>

The following criteria will be considered when naming or renaming parks, facilities or amenities of parks or facilities:

- a. Names of former park commissioners, city officials, staff, or individuals who have contributed substantial services in the expansion or growth of the community or who were closely associated with a significant community event.
- b. Donations to the district wherein the donor's name or that of a third party is used.
- c. Presidents of the United States or significant historical events.
- d. Major street names surrounding the park.
- e. Names of areas, such as the neighborhood or subdivision where the park or facility is located, provided the area is not named for an individual, company or organization.
- f. Park features, such as topography, natural features, the purpose of the park or activities to be held in the park.

#### II. Special Conditions

It is the intent of the Board of Park District Commissioners to name parks, facilities and amenities in a manner that will reflect the best interests of the public at all times. To this end, the process of naming a park, facility, or amenity will be carefully thought out to bring honor to individuals or organizations for whom the park or facility is named, while at the same time be clearly identifiable for the community at large. We would also seek to name parks, facilities, and amenities in a manner that will stand the test of time and be

meaningful for future generations of people residing in the Buffalo Grove Park District.

#### III. Naming of New Parks, Facilities and Amenities

The following special conditions shall prevail in the naming of a new park, facility, or amenity:

- a. The selected name for a new park, facility, or amenity will require a majority vote of the Board of Park District Commissioners.
- b. A new park, facility, or amenity shall not be named for a park commissioner, staff member, or city official unless the person has been retired from office, or is still employed or serving and has met at least 25 years of service. Careful consideration shall be given with regard to the naming of a park, facility, or amenity in honor or memory of a Commissioner or staff member and shall reflect the longevity of the service, as well as their contributions to the Park District, and distinction of their public service to the community.

#### IV. Renaming of Parks, Facilities, or Amenities

The following special conditions shall prevail in the renaming of a park facility, or amenity:

- a. No park, facility, or amenity with a "generic" name shall be renamed unless the Board of Park District Commissioners casts a majority vote of the Board of Park District Commissioners.
- b. If a park, facility, or amenity is named after a civic organization or person, and the Board of Park District Commissioners deems it necessary to rename said park, facility or amenity, then the Board of Park District Commissioners may rename said park, facility, or amenity upon a unanimous vote of the Board of Park District Commissioners.
- c. A park, facility, or amenity shall not be renamed for a park commissioner, staff member, or city official until he/she has retired from office.

A park, facility, or amenity may be renamed for a park board commissioner that is still in office if they have met at least 25 years of service.

Careful consideration shall be given with regard to the renaming of a park, facility, or amenity in honor or memory of a park board commissioner or staff member and shall reflect the longevity of the service, as well as their contributions to the Park District, and distinction of their public service to the community.

Special Note Applicable to Sections III and IV:

When naming or renaming a park, facility, or amenity for a commissioner, the Board of Park District Commissioners will follow the general rule that a park or facility would require at least 20 years of service. Naming or renaming an amenity would require at least 12 years of service.

When naming or renaming a park, facility, or amenity for a staff member, the Board of Park District Commissioners will follow the general rule that said staff member will have served at least 25 years at the Buffalo Grove Park District. Whether a park, facility, or amenity is renamed would be at the discretion of the Board of Park District Commissioners with recommendation from current staff.

In unique circumstances, the Board of Park District Commissioners reserves the right to not follow the general rules on years of service.

#### V. <u>Philanthropic Naming or Renaming of a Park, Facility, or Amenity</u>

Parks, facilities, or amenities may be named after individuals or groups who have made substantial philanthropic donations of park property or who have made substantial contribution toward the development of the park, facility, or amenity. The threshold for considering the naming of a park, facility, or amenity will include one or more of the following:

- a. Land for the majority of the park was deeded to the Park District.
- b. Contribution of a recommended 50% of the capital construction cost associated with developing the park, facility, or amenity. The Board of Park District Commissioners reserves the right to review all offers and make decisions to grant naming rights for donations of less than 50%.
- c. Contributions are designed to result in a significant and necessary direct benefit to the Park District. In some situations when an amenity such as a park bench is added to an already existing park, it is not viewed as a necessity. Therefore contribution will require 100% cost coverage, including labor and memorial plaque.
- d. Provision of a minimum 20-year endowment for the continued maintenance and/or programming of the park, facility, or amenity.

Naming rights terms shall be mutually agreed upon by the prospective donor and approved by a majority vote of the Board of Park District Commissioners, and shall not be longer than the useful life of the park, facility, or amenity.

The location of an added amenity will be discussed with the donor, but final decision is determined by the Executive Director of the Park District.

In the event of vandalism, theft, or weather damage, the Park District will not be responsible for replacement or repair of added amenities that fall under item (c) above. However, all attempts will be made to access funding through the Park District's insurance and other resources to restore the amenity and its signage to its original condition.

The Buffalo Grove Park District and the Friends of the Parks Foundation shall work cooperatively to establish policy and practices in compliance with 501 (c) (3) Federal requirements for not-for-profit tax-deductible donations and assures donors of the integrity of their donation.

The Board of Park District Commissioners reserves the right to recognize unique circumstances and take appropriate actions that may supersede the above stated policy, by a vote of the majority of Board of Park District Commissioners.

#### **EXHIBIT ADDENDUM D**

#### NON - DISCRIMINATION AND ANTI - HARASSMENT POLICY

#### Introduction

The Park District is committed to a work environment in which all individuals are treated with respect and dignity. Each individual has the right to work in a professional atmosphere that prohibits discriminatory practices, including harassment. Therefore, the Park District expects that all relationships among persons in the workplace will be business-like and free of bias, prejudice and harassment.

It is the responsibility of each and every employee, intern, official, park commissioner, agent, volunteer, and vendor of the Park District as well as anyone using the Park District's facilities, to refrain from sexual and other harassment. The Park District will not tolerate sexual or any other type of harassment of or by any of its employees, elected officials, and others. Actions, words, jokes, or comments based on an individual's gender, race, color, national origin, age, religion, disability, sexual orientation, civil union partnership, or any other legally protected characteristic will not be tolerated.

This policy should not, and may not, be used as a basis for excluding or separating individuals of a particular gender, sexual orientation, civil union partnership, race, color, national origin, age, religion, disability, or any other protected characteristic, from participating in business or work-related social activities or discussions in order to avoid allegations of harassment. The law and policies of the Park District prohibit disparate treatment on the basis of gender, sexual orientation, civil union partnership, race, color, national origin, age, religion, disability, or any other protected characteristic, with regard to terms, conditions, privileges and prerequisites of employment. The prohibition against harassment, discrimination and retaliation are intended to complement and further these policies, not to form the basis of an exception to them.

#### Definitions of Harassment

- 1. Sexual harassment may occur whenever there are unwelcome sexual advances, requests for sexual favors, or any other verbal, physical, or visual conduct of a sexual nature when:
  - Submission to the conduct is made either implicitly or explicitly a condition of the individual's employment;
  - b. Submission to or rejection of the conduct is used as the basis for an employment decision affecting the harassed employee/intern; or
  - c. The harassment has the purpose or effect of interfering with the employee/intern's work performance creating an environment that is intimidating, hostile, or offensive to the employee/intern.

Sexual harassment may include a range of subtle and not so subtle behaviors and may involve individuals of the same or different gender. Depending on the circumstances, these behaviors may

include, but are not limited to: unwanted sexual advances or requests for sexual favors; sexual jokes and innuendo; verbal abuse of a sexual nature; commentary about an individual's body, sexual prowess or sexual deficiencies; leering; catcalls or touching; insulting or obscene comments or gestures; display or circulation in the workplace of sexually suggestive objects or pictures (including through e-mail and/or text messages); and other physical, verbal or visual conduct of a sexual nature.

2. Harassment on the basis of any other protected characteristic is also strictly prohibited. Under this policy, harassment is unwelcome verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of his/her race, color, religion, sex, sexual orientation, age, national origin, disability or any other characteristic protected by law or that of his/her relatives, friends or associates, and that: (i) has the purpose or effect of creating an intimidating, hostile or offensive work environment; (ii) has the purpose or effect of unreasonably interfering with an individual's work performance; or (iii) otherwise adversely affects an individual's employment opportunities.

Harassing conduct includes, but is not limited to: epithets, slurs or negative stereotyping; threatening, intimidating or hostile acts; denigrating jokes and display or circulation in the workplace of written or graphic material that denigrates or shows hostility or aversion toward an individual or group (including through e-mail and/or text messages).

Conduct prohibited by these policies is unacceptable in the workplace and in any work-related setting outside the workplace, such as during business trips, professional conferences, business meetings and business-related social events.

Note	Any employee/intern engaging in practices or conduct constituting sexual harassment,				
	discrimination, harassment, or retaliation (as discussed later in this policy) of any kind shall				
	be subject to disciplinary action, up to and including discharge.				

#### Retaliation Is Prohibited

The Park District prohibits retaliation against any individual who reports discrimination, harassment, or retaliation, who participates in an investigation of such reports, and/or who files a charge of discrimination, harassment, or retaliation. Retaliation against an individual for reporting harassment, discrimination, or retaliation, for participating in an investigation of a claim of harassment, discrimination, or retaliation, or for filing a charge of discrimination, harassment, or retaliation is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action.

In addition to the Park District's prohibition on retaliation, various state and federal laws prohibit retaliation for reports of discrimination, harassment, or retaliation. For instance, protections against retaliation exist under the Illinois Human Rights Act, and, depending on the circumstances, protections against retaliation may exist under the Illinois Whistleblower Act and/or the State Officials and Employee Ethics Act.

# Reporting Procedure

The Park District strongly urges the reporting of all incidents of discrimination, harassment or retaliation, regardless of the offender's identity or position. Early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment or discrimination. Therefore, while no fixed reporting period has been established, the Park District strongly urges the prompt reporting of complaints or concerns so that rapid and constructive action can be taken.

The availability of this reporting procedure does not preclude individuals who believe they are being subjected to harassing, discriminatory, or retaliatory conduct from promptly advising the offender that his or her behavior is unwelcome and requesting that it be discontinued. However, nothing in this policy shall require individuals who believe they are being subjected to harassing, discriminatory, or retaliatory behavior to so advise the offender.

If you experience or witness harassment or discrimination of any kind, you should deal with the incident(s) as directly and firmly as possible by clearly communicating your position to the offending person, your immediate supervisor, your department head, Human Resources Manager, Director of Business Services & Human Resources, and/or the Executive Director. You should also document or record each incident (what was said or done, by whom, the date, time and place, and any witnesses to the incident). Written records such as letters, notes, memos, texts, tweets, social media postings, emails, and telephone messages can strengthen documentation. It is not necessary that the harassment be directed at you to make a complaint.

- Direct Communication with Offender: If there is harassing, discriminatory, or retaliatory behavior in the workplace, you should directly and clearly express your objection to the offending person(s) regardless of whether the behavior is directed at you. If you are the harassed employee, and if you feel comfortable doing so, you should clearly state that the conduct is unwelcome and the offending behavior must stop. However, you are not required to directly confront the person who is the source of your report, question, or complaint before notifying any of those individuals listed below. Further, you are not required to directly confront the person who is the source of your report, question, or complaint if you feel uncomfortable doing so. The initial message may be oral or written, but documentation of the notice should be made. If subsequent messages are needed, they should be put in writing.
- Report to Supervisory and Administrative Personnel: At the same time direct communication is undertaken, or in the event you feel threatened or intimidated by the offending person, you should promptly report the offending behavior to your immediate supervisor, Department Head, Human Resources Manager, Director of Business Services & Human Resources, or the Executive Director. If you feel uncomfortable doing so, or if your immediate supervisor is the source of the problem, condones the problem or ignores the problem, report directly to the Executive Director. If the Executive Director is the source of the problem, condones the problem, or ignores the problem, you should immediately report the incident or incidents in writing directly to the President of the Board of Park District Commissioners.

Report to Executive Director/President of the Board of Park District Commissioners: An employee/intern may also report incidents of harassment, discrimination, or retaliation directly to the Executive Director. If your complaint alleges harassment, discrimination, or

retaliation by the Executive Director, or if the Executive Director condones the problem or ignores the problem, you should immediately report the incident or incidents in writing directly to the President of the Board of Park Commissioners.

- If your complaint alleges harassment, discrimination, or retaliation by a Park Board Commissioner or if the Park Board Commissioner condones the problem or ignores the problem, you should immediately report the incident or incidents in writing directly to the Executive Director.
- When an allegation of discrimination, harassment, or retaliation is reported, an investigation will be conducted within a prompt period of time and appropriate remedial action will be taken when an allegation is determined to be substantiated. At no time will personnel involved in the alleged discrimination, harassment, or retaliation conduct the investigation. Nothing in this policy precludes a report of discrimination, harassment, or retaliation to the Illinois Department of Human Rights, which is the State agency responsible for enforcing the Illinois Human Rights Act, as described in the "Conclusion" section below. Further, the IDHR maintains a hotline for confidential reports of sexual harassment.

# Harassment Allegations against Non-Employees/Third Parties

If you make a complaint alleging harassment, discrimination, or retaliation against an agent, vendor, supplier, contractor, volunteer or person using Park District programs or facilities, the Executive Director (or his designee) will promptly investigate the incident(s) and determine the appropriate remedial action, if any. The Park District will make reasonable efforts to protect you from further contact with such persons. Please recognize, however, that the Park District has limited control over the actions of non-employees.

Important	Employees/interns who have experienced conduct they believe is contrary to this
Notice To All	policy have an obligation to take advantage of this reporting procedure.
Employees	

# Responsibility of Supervisors and Witnesses

Any supervisor or managerial employee who becomes aware of any possible sexual or other harassment, discrimination and/or retaliation of or by any employee/intern should immediately advise the Executive Director, and the Director (or his designee) will investigate the conduct promptly and take prompt remedial allegation if the allegations are substantiated.

All employees/interns are encouraged to report incidents of harassment, discrimination, and/or retaliation regardless of who the offender may be or whether or not you are the intended victim.

#### The Investigation

Any reported allegations of harassment, discrimination or retaliation will be investigated promptly. The Park District will make every reasonable effort to conduct an investigation in a responsible and confidential manner. However, it is impossible to guarantee absolute confidentiality, as the Park District must be able to fully investigate and take prompt remedial action when necessary. The investigation may include individual interviews with the parties involved, and where necessary, with individuals who may have observed the alleged conduct or may have other knowledge relevant to the allegations. The Park District reserves the right and hereby provides notice that third parties may be used to investigate claims of harassment, discrimination, and/or retaliation. You must cooperate in any investigation of

workplace wrongdoing or risk disciplinary action, up to and including termination.

# Responsive Action

After investigation, the Park District will determine whether a complaint of harassment, discrimination or retaliation has been substantiated or not based on a review of the facts and circumstances of each situation. Misconduct constituting a violation of this policy (such as engaging in harassment, discrimination, or retaliation), will be dealt with appropriately. Appropriate responsive action for a substantiated complaint may include, by way of example only: training, referral to counseling, and/or disciplinary action (such as referral to the Ethics Officer, suspension of Board activities and benefits and/or possible removal from Board position, as the Park District believes appropriate under the circumstances.

# False and Frivolous Complaints

Given the possibility of serious consequences for an individual accused of sexual harassment, discrimination, or retaliation, complaints made in bad faith or otherwise false and frivolous charges are considered severe misconduct and may result in disciplinary action, up to and including dismissal.

While we hope to be able to resolve any complaints of discrimination, harassment, or retaliation within the Park District, we acknowledge your right to contact the Illinois Department of Human Rights (IDHR) at the James R. Thompson Center, 100 West Randolph Street, Suite 10-100, Chicago, Illinois 60601, about filing a formal complaint. The IDHR also has a reporting hotline, which includes a method for the intake of anonymous phone calls regarding allegations of sexual harassment. If the IDHR determines that there is sufficient evidence of harassment to proceed further, it will file a complaint with the Illinois Human Rights Commission (HRC), located at the same address on the fifth floor. If the IDHR does not complete its investigation within 365 days, you may file a complaint directly with the HRC between the 365th and the 395th day.

3/28/2023

Buffalo Grove Park District Commissioners,

Your Buffalo Grove Professional Firefighters & Paramedics are thrilled to be bringing back our Fire Up! Food Truck Festival. Local 3177 prides itself on going above and beyond in our charitable efforts. Over the last 15 years we have raised over \$165,000 for our charitable partners.

Our 2019 festival, the first year it was held, was a rousing success by bringing the entire community together for a day of fun, food, and fellowship. This year's event proceeds will be donated to Project Fire Buddies, to which our Local has recently formed a chapter. This organization works with local schools, police departments, and community members to identify children with serious illnesses. The department and its firefighters make the child an honorary firefighter. The firefighters visit with their fire buddies at home, play games, read books, bring gifts for special occasions, and show the kids just how special they are.

We now have a dedicated Food Truck Festival Committee within the Local charged with putting on an event of this magnitude. To summarize what we've achieved so far: we have 20 food trucks booked ranging the entire spectrum of cuisine, a well-known cover band from Chicago called Soda that has a large following and great reputation, two local craft beverage vendors, and a host of activities geared for children so there is fun for the whole family. Some of those activities include balloon animals, face painting, cornhole bag sets, and representatives from the library with books to give away.

The purpose of this letter is to request a variance to the zero tolerance policy for the sale of alcohol on Buffalo Grove Park District Property. Our committee believes having a safe and secure beer garden for alcohol sales stands to raise significant contributions to be donated to charity. With the event being known by the community, and the significant growth in the festival size, our current projections show this could net up to \$25,000 in donations. This year the beer is being purchased at cost from our 2 different licensed vendors. Through sponsorship packages to offset the cost, this will allow us to contribute every dollar after to Project Fire Buddies. As Firefighter/Paramedics in the community, we see first hand the impact we have when we interact with children. This level of donation could help the most vulnerable kids in our community during their time of need.

Our plan is to provide a safe and fun beer garden area for the community to enjoy. We have done our due diligence to ensure the safety of everyone involved. We have designated the area under the main event tent for people to enjoy their beverage with their food of choice. Patrons wishing to get in will have to pass through a single entry/exit point. Upon entry, they will need to state their intent to consume alcohol. All members involved in the process will be BASSET certified. A brief explanation of the process we have planned- a patron's ID will be checked to confirm they are of legal age and then

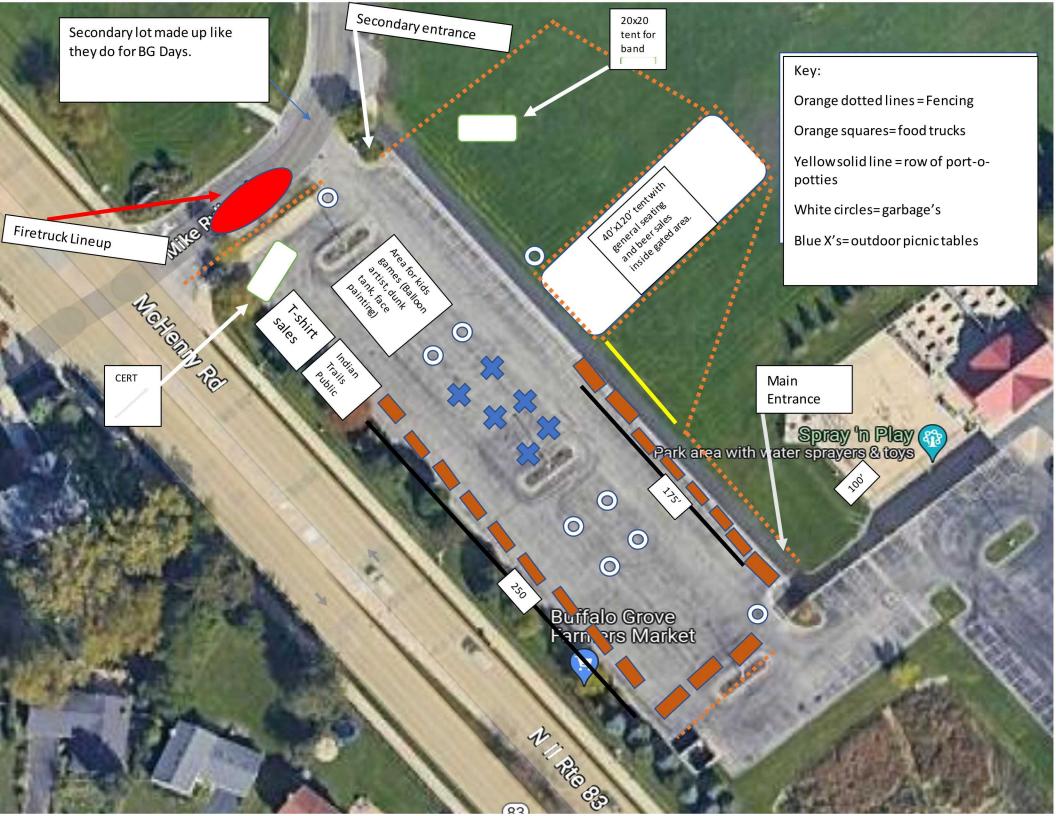

given a wristband and tickets for the amount they purchased. As they move through the tent an additional layer of security to the beer service/garden area will verify they have a wristband on. Upon entry to the beer service/garden area they can exchange a ticket for a beer. BASSET certified staff will ensure no over-serving and at no point will alcohol be allowed outside of this fenced area. Local 3177 has procured event insurance including retail liquor insurance. Buffalo Grove PD has allocated 4 dedicated officers to the event for security. We will be filing for a liquor license with the Village upon the receipt of the BASSET certifications from L3177 members. The expected date of filing is April 10th. If approved by your Board, we will then submit for the state special event liquor license as required and submit all credentials to the Risk Manager.

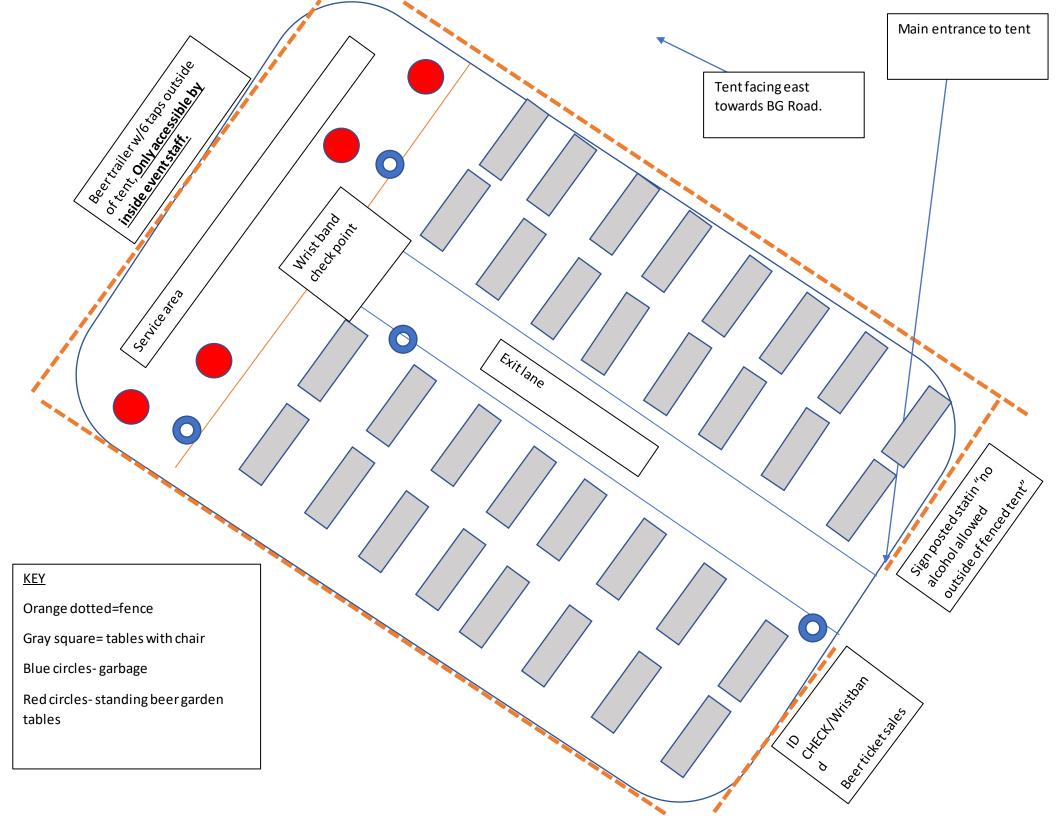

Please take the time to carefully consider our request. We wholeheartedly believe that this beer garden will add tremendous value in the donation we can provide to Project Fire Buddies. The buzz and momentum felt around the community for this event is palpable, and we hope to continue this growing tradition year after year. Buffalo Grove Professional Firefighters will abide by any further suggestions or recommendations that the Board of Commissioners deem necessary to ensure the safety of the community. I have included additional documents in your packet for reference. Thank you for your time and for your continued support of our Fire Up! Food Truck Festival. We value the strong relationship we have with the Park District.

Respectfully,

David G. Zabilka

# Memorandum

MEMO TO: BOARD OF PARK COMMMISSIONERS

RYAN RISINGER, EXECUTIVE DIRECTOR

ERIKA STROJINC, DEPUTY DIRECTOR

FROM: TIM HOWE, DIRECTOR OF PARKS AND PLANNING

MIKE MALONEY, SUPERINTENDENT OF PLANNING

SUBJECT: ROOM 1 DEMOLITION

DATE: APRIL 5, 2023

\_\_\_\_\_

# Action Requested:

Approve Bear Construction to complete the demolition of Room 1 at the Alcott Center at the cost of \$107,500.00.

# History:

Ryan Risinger, Erika Strojinc, John Short, Tim Howe, and Mike Maloney had numerous conversations about what would be the best course of action for Room 1. We have determined the best route would be to demolish Room 1 and plan for the renovation at a later date until we figure out what would be the best plan for that space moving forward. Staff also discussed what would be the best "option" in managing the project. We decided to contact two general contractors that we are able to utilize through a national co-op. Staff also explored the cost of serving as a general contractor and managing all the trades in-house. After receiving quotes, we determined it was easier and more cost-effective to have Bear Construction manage the demolition of Room 1.

Mike Maloney met with two general contractors and three demolition companies in determining the costs of demoing Room 1. FH Paschen and Bear Construction were the two general contractors that came out and reviewed the scope and gave estimates on the job. Both general contractors are part of NCPA (National Cooperative Purchasing Alliance), which we are members of and have used in the past in purchasing equipment and delivering construction projects.

We have worked with the recreation staff and determined the best schedule would be to start work near the end of May. The contractor estimates that it would take three days to do a majority of the demolition. The contractor asked if they would be able to start on Saturday, May 20. Staff likes the idea of starting on a Saturday as the amount of traffic and programming at Alcott would not be as extreme and would make the start of the project easier on the patrons and the contractor themselves.

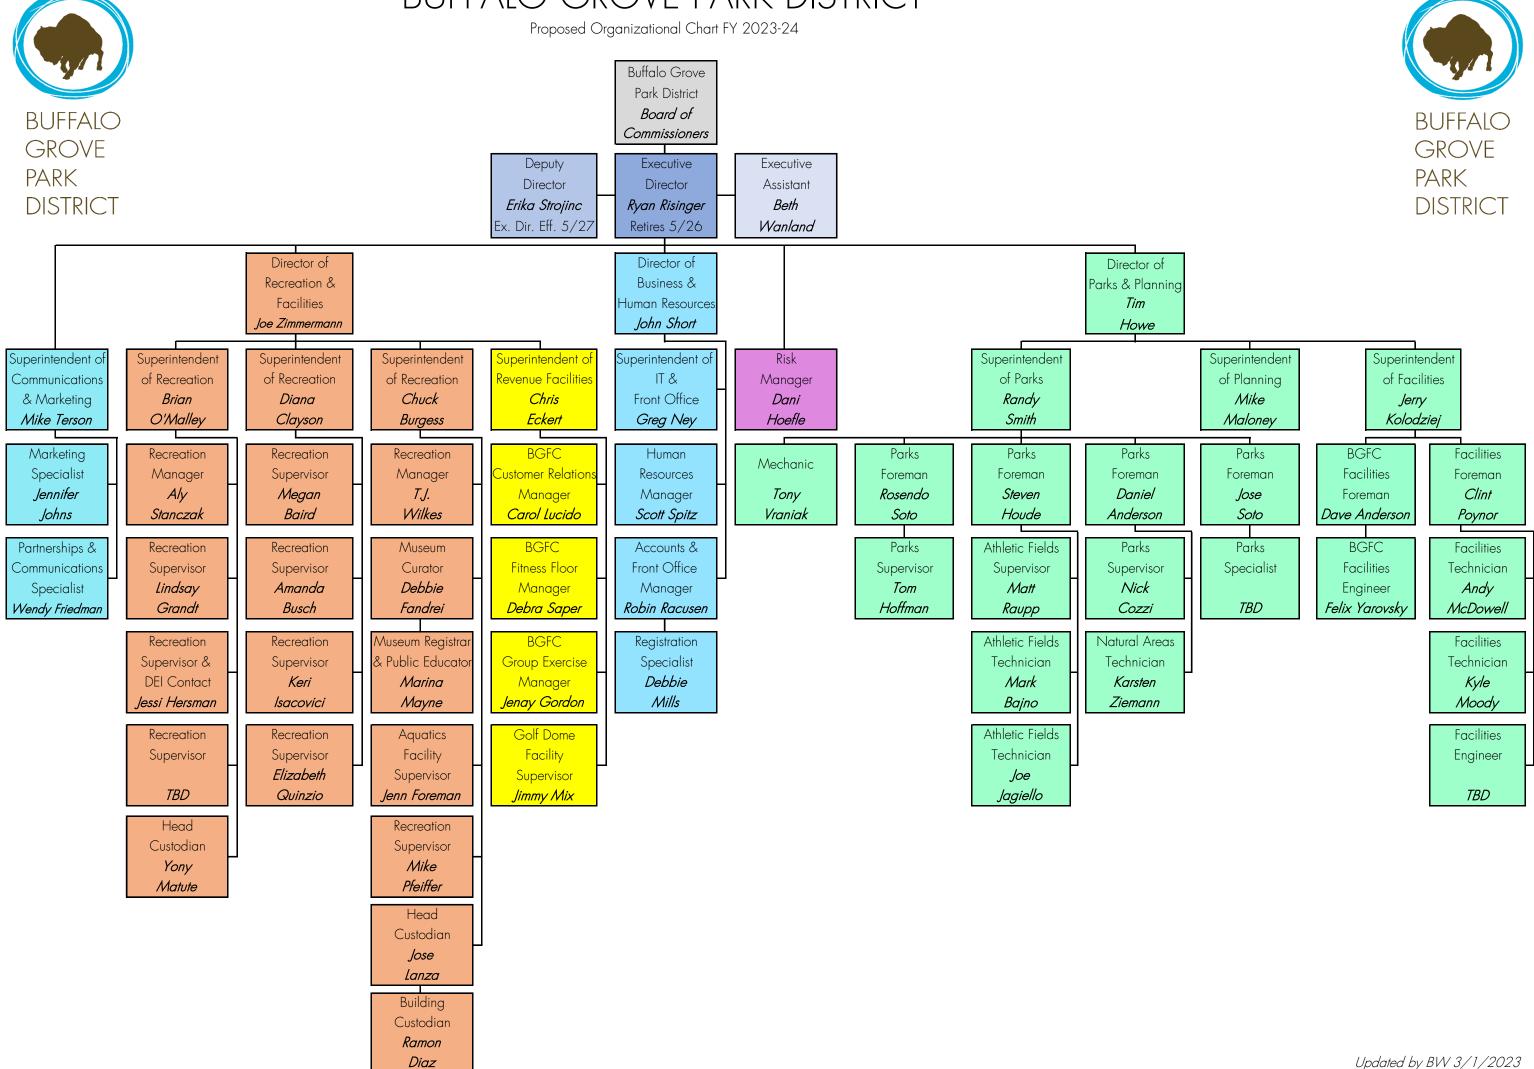

Included in this memo is a breakdown of the costs to demo Room 1. We also have the proposals from FH Paschen and Bear Construction that we could share, if requested.
