FOR IMMEDIATE RELEASE

Willow Stream Park Parking Lot Replacement

(Buffalo Grove Park District, Buffalo Grove, IL) - The parking lot on the south end of Willow Stream Park, located at 651 Old Checker Road in Buffalo Grove, will be completely removed and replaced this fall.

Construction is scheduled to begin September 11, and be complete by the end of the year. The project also includes reconfiguring the handicap parking stalls, removal and replacement of damaged concrete curb, storm water drainage improvements, relocating the dumpster enclosure to the southeast corner of the lot, reconfiguring the drive entrance, and path work near the entrance to make it more accessible for people with disabilities.

The parking lot will be closed during this project. Alternative parking is available on the north end of the park near the pool, located at 600 Farrington Drive in Buffalo Grove.

More information, as well as updates once the project begins, are available on the Construction Projects page of our website at bgparks.org.
