PICKLEBALL RULES

Due to the popularity of pickleball, we often have a waitlist for court times. To ensure members can play, please review the following rules before you reserve a pickleball court at the Fitness Center.

- Court times are free to members and available by reservation only.
- Nonmembers must purchase a day pass for \$15 at check in before court time.
- Reservations can be made no earlier than 72 hours ahead of time on the app or at bgfitness.org.
- Reservations are limited to two per day, per household.
- One reservation is good for two to four players. No single player reservations are allowed.
- Check in at the front desk when you arrive for your reservation. Failure to check in could count as a no show.
- Failure to cancel your reservation will count as a no show for your household.
- If your household has two no shows you will no longer be allowed to reserve a court.
- Paddles are available at the front desk and may be checked out by leaving your driver's license or state ID. Your license will be returned when the paddles are returned.
- Nonmembers who check out paddles must leave their credit card on file at the front desk.
- Please clean all equipment before and after use.
